

Exhibitor Sale of Weapons Agreement

I _____ (Exhibitor), on behalf of _____ (Business Name), hereby acknowledge that I have read, understand and agree to be bound by the terms and conditions related to the display and sales of weapons contained in this agreement, the Montreal Comiccon Exhibitor Guide and the Montreal Comiccon Weapons Policy.

Montreal Comiccon Weapon Classification

A **Prohibited Weapon** is a weapon that is not allowed to be possessed, displayed, or sold in Canada. These illegal weapons are banned from Comiccon and must be immediately removed from the convention centre. Comiccon reserves the right to notify law enforcement agencies.

An **Inadmissible Weapon** is a non-prohibited (i.e. legal) weapon that has been examined by the Weapons Master, or their designate, and is not permitted to be brought into the convention. A legal weapon may still be considered an inadmissible weapon at Comiccon (e.g. a metal sword). The weapons must be stored at Weapons Check or immediately removed from the convention.

An **Admissible Weapon** is a weapon that has been examined by the Weapons Master, or their designate, and is permitted to be brought into the convention. A small identifying tag will be affixed to the weapon to identify it as admissible.

I agree not to store, display or sell prohibited weapons at the convention.

I agree not to sell inadmissible weapons to anyone under the age of 18 and to verify the age of any person who purchases a weapon and who appears to be under the age of 18. I also agree to package inadmissible weapons that have been purchased in an appropriate manner as prescribed by Montreal Comiccon.

I agree to fully explain to my customers that once the weapon is purchased and I have properly packaged it (as per Montreal Comiccon policy), the customer is not to remove the item from the packaging until they have left the convention and Montreal Convention Centre property.

I agree that Montreal Comiccon reserves the right to classify weapons and to determine which weapons can be displayed and/or sold at the convention.

If Montreal Comiccon (via the Exhibition Hall Director, the Weapons Master or their designates), determines that a weapon being stored, on display or for sale is a prohibited weapon, I will immediately cease to display and/or sell the weapon and immediately remove it from the convention centre.

I understand that refusing to immediately remove all prohibited weapons from the convention centre, or being found to be selling prohibited weapons afterwards, may lead to my expulsion from Montreal Comiccon. I understand that if an Exhibitor is expelled, they will not receive a refund, may forfeit a refund if they have put down a deposit or fully paid for a space at another of our shows, and, at the discretion of Montreal Comiccon, may or may not be allowed to exhibit at future affiliated shows.

I understand that contravening this agreement or any Montreal Comiccon policy may result in corrective action, up to and including immediate expulsion from Montreal Comiccon and any future affiliated shows.
