DELIVERIES AND SHIPMENTS

All pallets, crates and loose boxes must be properly labeled with the exhibitor's name, booth number, contact person's name, and name of the event (*see example of shipment label, Appendix A*). All shipments must be made during the hours and days that setup is scheduled and a representative from the booth must be present to receive the shipment. **We do not accept shipments for exhibitors.**

If a representative is not present at the time of delivery or the delivery arrives before or after our posted setup hours, or the shipment is improperly labeled, the shipment will be turned away.

Exhibitors must ensure that their pallets are properly wrapped and stacked. If an improperly wrapped pallet is shipped and the pallet falls apart, crushes/damages merchandise and/or injures any persons, the owner of the pallet will be fully responsible for the losses and damages. Additionally, if a pallet falls apart and the exhibitor is not in the building at the time of the incident, the exhibitor will be fully responsible for the cost of restacking and moving the pallet.

EXHIBITOR/ARTIST ENTRANCE

You can access the exhibition hall at any point during the event by the Saint-François Xavier Passage Elevator on Level 1 of the Palais de congrès de Montréal. This elevator is only going to be accessible by Montreal Comiccon staff and exhibitors/artists.

During morning restock times it is highly recommended that you use the St-François Xavier entrance. If you do not have merchandise with you, you can also use the Espace Vert escalators to get to the 2nd floor.

You must have an exhibitor badge to enter the hall.

BADGE PICK-UP & CHECK-IN

Badge pick-up will be open from 9:00 a.m. to 9:00 p.m. on Thursday at the exhibitor services office situated at the back of Room 220-C (next to the washrooms), and from 8:00 a.m. to 11:00 a.m. on Friday at the exhibitor entrance on the 1st floor.

Exhibitors are required to pick up their badges before the opening of the hall to the public.

If an exhibitor requires additional badges, they may also be purchased at the check-in desk. **If a person loses their badges during the convention, they can inquire at the exhibitor services office about purchasing a replacement.**

Please note that the badges cannot and will not be personalized.

Badges must be scanned in and out every day. An individual badge can only be used by one person per day and must always be worn during the event.

Please note that neither Montreal Comiccon nor the Palais de congrès is responsible for getting exhibitor employees and/or exterior staff/personnel into the event. We will also **not** hold badges for exhibitor staff at special badge pickup anymore. Exhibitors are responsible for making sure they have adequate staffing at their booth, getting them in and out of the event and making sure they have their always badges on their person.

DOLLIES, HAND CARTS & PALLET JACKS

Exhibitors are encouraged to bring their own equipment. Please note that this type of equipment must only be used in the exhibition hall and in the loading dock area. There are dollies available in the convention centre, but they are in limited number, and we will function on a “first come, first serve” basis.

Pallet jacks are prohibited on any carpeted area of the exhibition hall if present. A forklift will be needed to transport pallets to the booths if the booths are in this area. Any damage done to the carpet will be billed to the exhibitor.

Please note that dollies, carts, buggies, or pallet jacks will be **NOT** allowed in the hall starting from half an hour before opening until closing.

VEHICLES INSIDE THE COVENTION CENTRE

Any vehicle or equipment inside the convention centre that has an internal combustion engine cannot have more than a quarter (1/4) a tank of fuel. The batteries and ignition systems must be disconnected at all times and all ignition keys provided to security services.

The gas caps on all vehicles and equipment must be secured with a lock. If they cannot be locked, they must be taped firmly shut in such a manner that prevents easy access to the gas tank. Waterproof protective sheeting must be placed under vehicles and protective plates placed under the tires.

A set-up time must be scheduled with exhibitor services prior to the event to facilitate the vehicles settling into the hall. During set-up and tear-down, car owners must wait for the car to be escorted by the exhibition hall team from the dock to their space and then to the exit. Due to the volume of traffic in the hall and on the docks, vehicles should not expect to leave before 8:00 p.m. on Sunday.

CHILDREN INSIDE THE EXHIBITION HALL DURING EXHIBITOR HOURS

Due to Quebec CNESST regulations, children under the age of 16 are not allowed in the exhibition hall during set-up and tear-down hours.

Children affiliated with an exhibitor can be in the exhibition hall once the hall is open if they are under the direct care and supervision of the exhibitor at all times.

If an exhibitor comes to the venue during set-up and tear-down hours with a child, they will be not allowed to setup at that time.

STORAGE

Exhibitors who want to keep their boxes must place them on a pallet and get a box storage sticker from exhibitor services. **This service will entail a fee of \$40.00 per sticker, one sticker per pallet.** The pallet must be wrapped. Due to fire code, empty boxes cannot be stored in your booth. They must either be discarded or placed on a pallet for box storage. The convention centre will take care of storing the wrapped pallets and bringing them back to your booth at tear down.

PARKING

Parking is **NOT** included for exhibitors. There are several parking lots located close to the Palais de congrès de Montréal, as well as 2 directly linked to the convention centre.

BOOTH REGULATIONS

GENERAL

During the event, all tables and aisles are to remain clear of boxes, debris, and displays.

All exhibitors must be careful not to damage the show floor with tables or displays; Nothing is to be taped to the walls of the convention center.

Only the following three tapes can be used on the floor: Polyken 105c LPDE, Scapa 274004 and DC-W002A. Be advised that any tape used must be removed during teardown or exhibitors will be charged for its removal.

Drapes have been given to all exhibitors and are not to be removed, and items should not be placed to hang off the pole and drapes. If an exhibitor would like to remove the drape, they must see exhibitor services. The drapes must remain undamaged; the use of safety pins or needles is prohibited.

It is up to exhibitors to maintain the safety (must make sure that any rigging and/or signage will not fall at anything time) and cleanliness of their booth. The exhibition hall staff can ask for the booth rigging to be made stronger if they feel the booth is unsafe. Unsafe rigging and/or signage will be removed.

Strongly scented Items are prohibited, whether in sale or on displays, including bath salts, potpourri, incense, candles, air fresheners, etc. Scented items must be wrapped.

HEIGHT & SIGNAGE

All banners & signage within a booth must be single sided. Exceptions can be made if the signage is hung from the ceiling. Only exhibitors with booths larger than 16'x16' can hang signs from the ceiling and only if it doesn't affect sight lines. exhibitors must contact exhibitor services if they would like to hang signage from the ceiling. Requests must be made a minimum of 2 weeks before the event.

Booths' height must not exceed the 8' pole and drape. Exceptions may be made on a case-by-case basis, and in the sponsor/corporate area. This is to allow for all exhibitors to have an equal chance of having their booth seen by attendees. Any exhibitor who does not comply with the height rules will be asked to take down the segments that exceed the 8' pole and drape.

ALLOCATED SPACE

Exhibitors can use the space as they wish but cannot go outside of the limits of the space they are assigned. The spaces are marked on the floor with the delimitation of each individual space. All aspects of the display, tables included, must be within the space allotted.

Exhibitors who are found to be encroaching on the booth spaces of a neighbor or an aisle, will be directed by a Comiccon staff member to move their display so it respects the space limits of their booth.

BOOTLEGGING & PLAGIARISM

Montreal Comiccon and Major Comics do not condone the sale of unauthorized or bootlegged materials. The sale and or display of licensed materials should only be allowed if merchandise is approved by license holder and doesn't infringe on copyrights and licencing laws. Violation will result in removal from the event without refund and possible ban from future events. Any exhibitor caught selling such items may be subject to prosecution.

FIRE REGULATION

Booths must meet City of Montreal fire code and are subject to inspection by the City of Montreal fire marshal. No portion of a booth and/or display can block or cover aisles, doorways, fire extinguishers, fire hose cabinets, fire exits, fire alarms, or related items.

For fire safety, it is prohibited to use fire/flame/heat sources in the exhibition hall. This includes but is not limited to candles, tea lights, flame throwers, space heaters, torches, lighters, rockets, fireworks, sparklers, Tiki torches, flint & steel, etc.

SMOKING AND CANNABIS

All smoking and the use of E-cigarettes are prohibited within the Palais de congrès de Montréal. It is also forbidden to consume Cannabis.

Exhibitors desiring to smoke must go outside the building.

MEDICAL EMERGENCIES

Exhibitors are required to report all accidents and injuries to exhibitor services as soon as possible.

If medical services are required and it is not possible to go to the exhibitor services office, exhibitors will need to find a Comiccon staff member to call for assistance. Exhibitor services will dispatch the Montreal Comiccon medical team to the location of the emergency. This medical team is equipped to manage all types of medical emergencies.

The Montreal Comiccon medical team will assess the situation and call 911, if required. Exhibitors should NOT call 9-1-1 on their own due to building requirements when emergency services are dispatched.

CLEANLINESS

Exhibitors are required to maintain the cleanliness of their booth AT ALL TIMES during the show and during tear-down.

The exhibition hall will be cleaned every night after the hall has closed for the evening. Any empty boxes that are left in the aisles (even during setup) will be cleaned up and discarded.

Exhibitors are responsible for any damage done to the property of the Palais de congrès de Montréal and/or Montreal Comiccon property and will be billed for the cost of repair and/or replacement.

ADULT (18+) MERCHANDISE

Exhibitors CANNOT distribute or sell any adult material to anyone under the age of 18. Any “adult only” material should be behind the counter and any nudity and/or sexual content must not be displayed openly.

DRONES

The operations of drones at the Montreal Comiccon are strictly forbidden. Exhibitors caught flying a drone during the event will be asked to put the drone away. If the exhibitor persists, the drone will be removed from the event and may result in the exhibitor also being removed.

If exhibitors sell drones, attendees must be informed not to fly them within the event premises. Any attendees found flying a drone during the event will have them confiscated.
